

Release Notes

Release 18.1.6821 M 9/10/18

FirePrograms functionality changes and enhancements:

- Personnel Equipment Item form: when searching for an item that is found to be currently checked out, in the dialogue box that is presented, a view asset item button has been added.
- Properties that have historical incidents tied to them can now be deleted and shredded.
- Mutual Aid times and Cancelled times now reflect the actual incident date.
- Agency mailing addresses can be free form.
- “Are you sure” delete messages will appear for Daily Log, Ad Hoc Training, and Class Session records.
